Dear [REDACTED]

This letter replies to yours of 27 March in which you request surplus RCA magnetic tapes from CIA.

I am pleased to advise you that arrangements have been made to deliver 551 tapes to Building 4552, C, Fort George G. Meade, Maryland, within the next two weeks.

It was good of you to provide machine time to [REDACTED] during the past two weeks while our "Speed-Pak" was being installed and debugged on the Agency's RCA 501. Please let me know if ever we can reciprocate.

Sincerely,
